

Dear Basketball Enthusiast,

The Summer Of Swish Basketball Camp will provide a unique opportunity to learn specific skills for "guard" and "post player" play in basketball. Our dedicated and experienced staff of basketball coaches will provide instruction and feedback.

Background

Each player will go through an active daily workout specific to their skill level. The low player-to-coach ratio will allow each player to "develop their individual skills." We will offer a series of drills that will develop each player's level of ability.

Why Summer Of Swish Name?

We offer the most information and feedback about putting the ball in the hoop, we will instruct and challenge each player to "become the best" they can be. Our coaches have an extensive background with basketball especially "Gettin' Buckets."

Medical Emergencies

Athletic training kit is on hand at all times. Medical emergencies will be referred to the local hospital.
